

PHOTOGRAPHER VOLUNTEER PROFILE

Do you find yourself spotting perfect moments before anyone else notices them? Do you enjoy capturing the energy, joy, and community spirit of events — and helping tell the story of a community through images?

If the answer is yes, then we invite you to register your interest for the voluntary role of *Photographer* for our ongoing campaign...

Fostering Friendships through Tabletop Gaming

ABOUT THE ROLE

Our *Photographers*:

- Are friendly, observant and reliable
- Enjoy photography (professional experience is not required)
- Can take clear, well-framed photos of people, games, and event spaces
- Have an eye for detail and a knack for capturing warm, candid moments
- Are comfortable approaching attendees to ask for photos when needed
- Can work calmly in busy environments

As a *Photographer* we would need you to be available to attend some of our monthly gaming sessions — further details are available on our [website](#) — and where possible, our outreach and marketing events.

Your role will be hands-on at these events: capturing photographs that showcase the fun, community, and connection at the heart of VoNCon.
